

Defender Slide case for Samsung Galaxy A06 5G black

GSM192572
5907504505343

Defender Slide is a reinforced phone case that provides good protection for the device. The product consists of several layers that stiffen and strengthen its construction. The case is made of PC, TPU, and features a built-in aluminum finger holder. The entire series has a movable camera cover that protects the lenses and ensures privacy. Additionally, the higher edges protect the screen from cracking or scratching. The cases have necessary cutouts for ports and raised areas for buttons. The frame has holes that allow for attaching a strap or lanyard. The Defender Slide case is compatible with magnetic mounts.
