

Defender Slide case for iPhone 17 Pro Max 6,9" black

GSM193822
5907504536309

Defender Slide is a reinforced case for smartphones that provides good protection for the device. The product consists of several layers that stiffen and strengthen its construction. The case is made of PC, TPU, and features a built-in aluminum finger grip. The entire series has a movable camera cover that protects the lenses and ensures privacy. Additionally, the raised edges protect the screen from cracking or scratching. The cases have necessary cutouts for ports and embossed areas for buttons. The frame has holes that allow for attaching a strap or lanyard. The Defender Slide case is compatible with magnetic mounts.
