The striking Glitter 3-in-1 covers are products that successfully protect smartphones from shocks and scratches. They attract attention with a glittery layer in vibrant colors. Glitter 3-in-1 is a series where each cover consists of three layers. The base layer and the transparent protective coating are made of TPU. The colorful middle layer is a separate PC layer covered with glitter. All together creates a fitted and durable cover for the smartphone. Glitter 3-in-1 has precise cutouts and embossments for the side buttons.
