Glitter 3in1 covers are eye-catching and functional accessories that effectively protect smartphones from shocks and scratches. Their glittery surface in vibrant colors draws attention, giving the device a unique look. Each cover in the Glitter 3in1 series consists of three layers. The base layer and the transparent protective coating are made of flexible TPU, ensuring resistance to damage. The middle layer made of PC is enhanced with glitter, giving the case a unique shine. The robust construction ensures that the cover fits perfectly to the phone, providing durable protection. Precise cutouts and embossments for the side buttons guarantee user convenience and full access to the device's functions.
