Glitter 3in1 covers are eye-catching and functional accessories that effectively protect smartphones from shocks and scratches. Their glittery surface in vibrant colors attracts attention, giving the device a unique appearance. Each cover from the Glitter 3in1 series consists of three layers. The base layer and the transparent protective coating are made of flexible TPU, ensuring resistance to damage. The middle layer made of PC is enhanced with glitter, giving the case a unique shine. The solid construction ensures that the cover fits perfectly on the phone, providing durable protection. Precise cutouts and embossings for the side buttons guarantee ease of use and full access to the device's features.
