

Silicon case for iPhone 16e / 17e red

GSM186846
5907457798489

Silicone overlays have a matte finish, which not only adds elegance but also provides a secure grip and reduces the risk of the phone slipping from the hand. They were designed with user comfort in mind, so their texture is pleasant to the touch, making using the phone even more enjoyable. A delicate microfiber lining provides additional protection against scratches and minimizes the risk of damage to the case.

Specification
