

Silicon case for Samsung Galaxy A56 5G black

GSM190359
5906961954213

Silicone overlays have a matte finish, which not only adds elegance but also provides a secure grip and reduces the risk of the phone slipping from your hand. They were designed with user comfort in mind, so their texture is pleasant to the touch, making using the phone even more enjoyable. A delicate microfiber lining provides additional protection against scratches and minimizes the risk of damage to the case.
