

Silicon case for Honor 400 Lite dark blue

GSM192278
5906961999580

Silicone overlays have a matte finish, which not only adds elegance but also provides a secure grip and reduces the risk of the phone slipping from your hand. They have been designed with user comfort in mind, so their texture is pleasant to the touch, making using the phone even more enjoyable. A delicate microfiber lining provides additional protection against scratches and minimizes the risk of damage to the phone's housing.
