

Simple Black case for Xiaomi Redmi 10c 4G

GSM118272
5907457705692

The Simple Black series products are a line of classic black cases with enhanced protection. The thicker construction protects the smartphone from shocks and impacts. The high edges of the case additionally safeguard the screen and cameras from cracking. The product is made of TPU material with varying hardness. The edges of the cases have shock-absorbing properties, which is further complemented by the reinforced back. The matte finish is combined with panels featuring a pattern that resembles carbon fiber.
