

Simple Black case for Samsung Galaxy A16 4G / A16 5G

GSM187531
5906961904560

The Simple Black series products are a line of classic black cases with enhanced protection. The thicker construction protects the smartphone from shocks and impacts. The high edges of the case additionally safeguard the screen and cameras from cracking. The product is made of TPU material with varying hardness. The edges of the cases have shock-absorbing properties, which is further complemented by the reinforced back. The matte finish is combined with panels featuring a pattern that resembles carbon fiber.

Specification
