The Sweet Animals are a harmonious orchestra, available under Forever brand. These are talented animals that are full of passion and who finally got their voice. Allow the sweet sounds of music to flow endlessly. Thanks to TWS system, which uses Bluetooth technology, you may connect two loudspeakers to a single smartphone. Hands-free function allows to answer calls and talk via the loudspeaker without using your hands. High quality of sound guaranteed by ForeverMusicFlow transducer. The Sweet Animals will play to your beat!
