

# HAVIT Bluetooth speaker SF124 LED karaoke black

GSM115638  
6939119034689  
SF124BT

Wireless karaoke speaker with multicolored lighting from HAVIT. The speaker measures 6.5 by 2 inches. The portable speaker is equipped with two full-range speakers for stereo music playback and built-in LED lights that create ambient lighting in the room while playing music. In addition to karaoke, it also features an FM player, built-in USB audio input, and a remote control for the speaker. All of this is housed in one casing with a powerful 2400 mAh battery that provides up to 10 hours of playtime on a single charge. The speaker's frequency response range is 120 Hz - 15 kHz.
