Bluetooth Speaker REBELTEC AIR The AIR speaker is a device that you will want to take with you on a bike trip, hike, picnic, festival, or camping. Its compact size allows it to fit perfectly in a bike bottle holder or a drink cup holder in a stroller. It comes with a strap that makes it easy and quick to attach to a backpack. The IPX4 waterproof rating provides protection against water, making it suitable for outdoor use during light rain or accidental splashes. The speaker has a range of features such as: Bluetooth 5.3, microSD card and USB flash drive slots, AUX input, built-in microphone, and FM radio. Easy operation with four buttons allows for adjustments without taking your eyes off the road. The built-in battery provides up to 8 hours of use. Wireless music streaming from a phone, tablet, or other Bluetooth-enabled devices.
