XO BCC09 FM transmitter is a device that will be useful to every driver who does not have a USB or AUX port in their vehicle. Having a transmitter in the car, you don't have to worry about a discharged phone, tablet, or other portable device. You can quickly and efficiently charge them thanks to the USB ports. With this product you can also play music from your phone, and even from a USB flash drive. Answer and reject calls, redial the last number, change the frequency, manage tracks.
