The Baseus Bluetooth FM Transmitter is a multifunctional device that will provide you with the highest level of driving comfort. With a transmitter in your car, you don't have to worry about a dead phone, tablet, or other portable device. You can quickly and efficiently charge them thanks to the USB ports. With this product, you can also play music from your phone or even from a USB drive. Answer and reject calls, reconnect to the last number, change the frequency, manage tracks, and adjust the volume - all with one transmitter.
