The Devia JoyA10 is a 5.0 TWS bluetooth earbuds earbuds with a charging box. The headphones support TWS (True Wireless Stereo) technology - both headphones connect to each other to form a wireless stereo set. A portable box with a built-in battery, in addition to the charging function, allows you to safely store the headphones in your pocket, bag or backpack. Free your hands and listen to music, internet radio while working, walking, training or driving. Devia JoyA10 TWS headphones are an ideal solution for users of smartphones, computers, notebooks, tablets and other devices that support Bluetooth technology. They are compatible with most Android and iOS devices. The headphones also have a microphone, so you can easily make voice calls. The duration of calls / listening to music on a full charge is about 300 minutes (depending on the volume level), thanks to the use of energy-saving Bluetooth 5.0 technology.
