TW948

The compact and lightweight Havit TW948 brand wireless headphones with custom dynamic drivers offer superior sound quality. The headphones, with a built-in 400 mAh ultra-high-capacity battery, last up to 24 hours of playback with 4 times additional charging in a portable case, and you don't have to worry about a sudden power failure while traveling. Touch control technology helps you get rid of button control mode for convenience. With one button, you achieve all functions such as play/pause, skip to previous/next song, adjust volume, answer/reject calls, activate voice assistant, which frees your hands. No need to go through the cell phone interface. Ideal for running, walking, hiking, driving, meetings, etc. Bluetooth 5.0-enabled headphones are fully compatible with Bluetooth-enabled devices and provide high-speed wireless data transmission.
