G18

XO G18 are on-ear Bluetooth 5.2 TWS headphones that provide complete freedom for wireless music listening and phone calls. With TWS (True Wireless Stereo) technology, both earbuds connect to create a high-quality stereo set, delivering excellent sound without cables. The portable charging case with a built-in battery not only allows for charging the earbuds but also ensures their safe storage in a pocket, bag, or backpack. XO G18 is the perfect solution for smartphone, computer, notebook, and tablet users that support Bluetooth technology. They are compatible with both Android and iOS systems, making it easy to use them with a variety of devices. The built-in microphone allows for high-quality voice calls. When fully charged, the earbuds have a working time of about 360 minutes, depending on the volume level, thanks to energy-efficient Bluetooth 5.2 technology.
