Devia Joy A13 are true wireless 5.1 Bluetooth earbuds with a charging case. The earbuds support TWS (True Wireless Stereo) technology - both earbuds connect to each other, creating a wireless stereo set. The portable case with a built-in battery not only allows for charging but also lets you safely store the earbuds in your pocket, bag, or backpack. Free your hands and listen to music, internet radio while working, walking, training, or driving. The Devia Joy A13 TWS earbuds are the perfect solution for smartphone, computer, notebook, tablet, and other devices supporting Bluetooth technology users. They are compatible with most devices running Android and iOS. The earbuds also feature a microphone, allowing you to easily make voice calls. The talk/music listening time on a full charge is approximately 300 minutes (depending on the volume level), thanks to the energy-efficient Bluetooth 5.1 technology.
