XO X40 are Bluetooth 5.3 TWS in-ear headphones that offer excellent sound quality and complete freedom of use. With TWS (True Wireless Stereo) technology, both headphones connect wirelessly, creating a high-quality stereo set. The portable charging case with a built-in battery not only allows for convenient charging but also provides safe storage for the headphones in your pocket, bag, or backpack. XO X40 is the ideal solution for smartphone, computer, notebook, and tablet users that support Bluetooth technology. The headphones are compatible with both Android and iOS systems, allowing for seamless connection with multiple devices. The built-in microphone enables high-quality voice calls. The playback time on a full charge is about 240 minutes, depending on the volume level, thanks to energy-efficient Bluetooth 5.3 technology.
