

Maxlife wired earphones MXEP-04 USB-C black

OEM0002421
5900495292445

Maxlife MXEP-04 are wired in-ear headphones designed for smartphones equipped with a USB-C port. The cable is made of flexible silicone, ensuring not only durability but also maximum comfort during use. The headphones offer full volume control. Users have the ability to adjust the volume level without the need to reach for their smartphone. Additionally, they are equipped with a microphone, allowing for easy phone calls. Furthermore, the Maxlife MXEP-04 headphones are compatible with voice assistants. This allows users to issue voice commands directly through the headphones, making everyday use even more convenient.
