Devia Smart M1 Metal headphones are in-ear wired headphones compatible with devices that have a USB-C port and do not have a 3.5 mm jack. The Hi-Fi sound quality will satisfy demanding audio enthusiasts who appreciate the musical qualities of the tracks. Thanks to their ergonomic design, they can be worn for long periods without discomfort. The remote allows for music control and call answering. The metallic casing adds character, and the high-quality cable does not tangle or stretch. The headphones are available in black and silver.
