MB Curved Stitches Leather, If you are looking for a case that stands out with excellent quality and combines classic style with modern design, the Mercedes-Benz MB Curved Stitches Leather series is the perfect choice. It not only provides top-level protection but also expresses your unique taste and appreciation for the Mercedes-Benz brand., Unique design, A distinctive feature of this collection is the subtle embossing, highlighted by meticulously crafted stitching with nylon threads running along the lines. These delicate details catch the eye, giving the case a unique, elegant appearance. The look is completed by a subtle, metal Mercedes-Benz logo, which symbolizes the highest quality and authenticity. It is an excellent combination of functionality and design that will satisfy even the most demanding users., Sturdy construction and perfect fit, Cases from this series are made of durable polycarbonate that reinforces the back of the phone, and flexible polyurethane that protects its sides. The gently raised edges protect the screen and camera from scratches, while the precise fit ensures perfect adherence and full access to all device functions., Case produced under the license of Mercedes-Benz.
