MEHMP16X23RBARR

Textured And Plain Leather MagSafe case made of natural leather, combining classic elegance with modern style. Designed for devices with MagSafe technology, it offers excellent quality and unique design. A characteristic element of the collection is the combination of smooth and embossed leather, creating an elegant pattern. The whole is complemented by a subtle, metal Mercedes-Benz logo, symbolizing the authenticity of the product. The case provides a secure grip, protection against drops and scratches. The interior made of black matte polycarbonate absorbs shocks, while the flexible sides increase durability. The buttons are perfectly fitted, ensuring comfortable use. The case is produced under the license of the Mercedes-Benz brand.
