CB06

Introducing the XO-CB06 organizer. Keep your belongings organized with the combination lock organizer. Made from durable polyester and PU material, featuring a stylish double-layer leather wrist strap, it combines functionality with elegance. It offers enough space for your essentials while remaining compact and lightweight. Designed with convenience in mind, the waterproof material and scratch-resistant casing ensure durability in every environment. The internal structure features a compartment for easy storage of items. The organizer comes with a combination lock. The default code is set to 0/0 and can be easily changed. Simply set the sliding button to your desired code and secure it by laying down the active button.
