LS100SUB

The BLAUPUNKT LS100SUB soundbar is an excellent choice for lovers of strong and clear sound who want to enhance their audiovisual experience in the comfort of their home. The 2.2 channel system with a power of 100 W RMS and a subwoofer provides unique sound experiences. Two front speakers with a power of 2 x 20 W RMS deliver crystal-clear sound, while the two 30-watt woofers in the subwoofer generate powerful, pulsating bass. The LS100SUB soundbar offers a wide range of features and connectivity options. The wireless Bluetooth technology allows for easy and quick connection of the soundbar to devices such as smartphones, tablets, or laptops. This enables streaming of favorite music directly from a mobile device without the need for cables. The HDMI input with ARC (Audio Return Channel) allows you to connect the soundbar to the TV using a single HDMI cable, providing an excellent sound experience and enabling volume control of the soundbar with the TV remote. Optical and coaxial inputs allow the LS100SUB to be connected to audio sources that do not have an HDMI interface, such as a TV, digital decoder, or DVD player. The optical signal provides clear and unblemished sound that is perfect for watching movies and TV shows. The soundbar also includes a USB input for playing music from a flash drive, as well as an AUX input. The LS100SUB model is equipped with a built-in FM tuner, allowing access to favorite radio stations without the need for additional devices. Controlling the soundbar is very simple. To adjust the volume, select the audio source, or change equalizer settings, use the remote control. The LED display informs you of the currently selected parameters. The LS100SUB model has been designed to seamlessly blend into the living room interior. Its slim and minimalist casing perfectly matches any TV. The soundbar can also be mounted on the wall using the included accessories. Feel the wind during action movies, hear every detail of your favorite music tracks, and get swept away by the sounds of adventure while playing the latest games. Experience the power of the new LS100SUB soundbar from BLAUPUNKT and immerse yourself in rich, multi-dimensional sound that will fill your home.
