

# Satin case for Xiaomi Redmi 13C 4G / 13C 5G / Poco C65 burgundy

GSM179836  
5907457730588

The Satin series covers are versatile products in fashionable colors. Their surface has a satin finish combined with metallic elements. The aluminum frame around the camera cutout and button covers is maintained in the shade of the entire cover. The Satin series is made from TPU material. The product is reinforced and provides good protection for smartphones. The covers have the necessary cutouts for ports and buttons. They do not increase the size of the device and do not restrict the use of car mounts.
