Shine case for Samsung Galaxy A27 5G transparent

GSM276771
5908067000047

Shine are classic transparent smartphone cases with a touch of glitter. They offer a universal and aesthetic type of protection. The products made from TPU material look great thanks to the thicker frame.The Shine series features cases with a thickness of 2 mm. The lightweight and flexible product is perfectly fitted to the device. The cases do not increase the weight or size of smartphones. The embossed spaces for buttons and precise cutouts for ports make it easy to use the phone.
