

Tempered glass 3D for camera for iPhone 16 Pro

OEM102588
5907457791527

High hardness 9H tempered glass perfectly protects the camera lens. It ensures image clarity, does not affect the quality of the photos taken, and at the same time perfectly protects the lens. The glass is thin and durable. The adhesive covering the entire surface prevents dust and dirt from accumulating under the glass.
