

Tempered glass 2,5D for Honor 200 Lite 5G (global)

OEM0200619
5907457780163

2.5D tempered glass with a hardness of 9H effectively protects the phone's screen from damage. It provides full image clarity and resistance to fingerprints and dirt thanks to its oleophobic coating. Its ultra-thin design with a thickness of 0.3 mm allows for full sensitivity of the touch screen. The adhesive covering the entire surface eliminates the risk of dust and dirt accumulation under the glass, while the rounded edges enhance comfort and safety during use. The product is intended for phones with flat screens.

Specification
