Tempered glass Privacy for Samsung Galaxy A35 5G

OEM102513 5907457759817

Privacy glass with a privacy filter is a product that protects the screen and the visibility of displayed data. The Anti-Spy function features a darker structure built into the tempered glass. The directional filter protects the display from being read from any angle by 28°. The product has a black frame. Its reinforced structure reduces the formation of scratches and absorbs energy from accidental impacts. The Privacy tempered glass also has a coating that is easy to keep clean.
