Classic protection + modern coatings The PanzerGlass™ Ultra-Wide Fit tempered glass protects your phone from everyday hazards. Accidental drops, contact with sharp edges, contact with objects in your pocket, or dangerous falls on hard surfaces will no longer be a worry. Oleophobic and antibacterial layer The antibacterial technology used kills up to 99.99% of all common surface bacteria. The glass additionally has an oleophobic coating to prevent smudges and reduce fingerprints. It covers the entire screen while preserving its original quality of displayed content. Glass installation and repairs The application of the glass is simple. If the first attempt is not perfect, the glass can be reinstalled up to 200 times! The size of the glass allows you to fit most cases available on the market. Everything is delivered in FSC-certified, recyclable packaging.
