Classic protection + modern coatings PanzerGlass™ Ultra-Wide Fit tempered glass protects your phone from the hazards of everyday use. Accidental impacts against sharp edges, contact with objects in your pocket, or dangerous falls on hard surfaces will no longer be a concern. Oleophobic and antibacterial layer The applied antibacterial technology kills up to 99.99% of all common surface bacteria. The glass also features an oleophobic coating that prevents smudges and reduces fingerprints. It covers the entire screen while maintaining the original quality of displayed content. Glass installation and adjustments Applying the glass is straightforward. If the first attempt is not perfect, the glass can be re-installed up to two hundred times! The size of the glass allows it to fit most cases available on the market. The whole package is delivered in FSC certified packaging that can be recycled.
