FLS-70

The solar LED decoration Sunari Lotus Flower FLS-70 is a standing lamp that imitates a lotus flower. Thanks to the technology used, this decoration is equipped with a built-in LED that, combined with solar power, allows it to automatically illuminate with a pleasant warm light after dark. This charming effect of backlit flowers creates a unique atmosphere, ideal for relaxation or spending evenings outdoors. Made from high-quality materials, the lamp is durable and weather-resistant. This energy-efficient lamp uses free solar energy, which helps save on electricity bills and care for the environment. An additional advantage is its low power consumption and a built-in battery with a capacity of 720 mWh. Thus, in the best conditions, the lamp will shine until morning.

Specification

Accumulator capacity:	600 mAh
Collective packaging:	40 pcs.
Power supply :	solar panel
Solar charging time (in full sun):	8 h.
Brand:	Forever Light
Color temperature:	3000K
Tone:	white warm
Diodes number:	1 pcs.
Battery type:	NiMH (included)
Solar panel type:	Polycrystalline
Product dimensions (mm) length x width x height:	280 x 280 x 120
Length:	34 cm
Package dimensions (mm) length x width x height:	385 x 60 x 80
Packages type:	box
Net weight:	650 g
Material:	acrylic stainless steel ABS
Working temperature:	-15°C up to 42 °C
Set contains:	device manual
Warranty:	12 month
