

LOTUS SOLAR LAMP

FLS-70

RTV100528

The solar LED decoration Sunari Lotus Flower FLS-70 is a standing lamp imitating a lotus flower. Thanks to the applied technology, this decoration is equipped with a built-in LED diode, which, in combination with solar power, automatically illuminates with pleasant warm light after dusk. This charming effect of illuminated flowers creates a unique atmosphere, perfect for relaxation or spending evenings outdoors.

Made of high-quality materials, the lamp is durable and weather-resistant. This energy-efficient lamp harnesses free solar energy, allowing you to save on electricity bills and care for the environment. An additional advantage is its low power consumption and built-in battery with a capacity of 720 mWh. This ensures that, under optimal conditions, the lamp will shine until morning.
