FLS-210

The SUNARI FLS-210 LED solar lamp is the perfect combination of functionality and aesthetics. The lamp is equipped with a high-quality solar panel that efficiently charges the Ni-MH battery (1.2V-600mAh/0.72Wh), providing a maximum working time of up to 8 hours. The lamp is made from durable materials - ABS and iron, ensuring its resistance to weather conditions. The metal construction, with a delicate leaf pattern, will add charm to any garden, terrace, or balcony. The lamp emits warm, atmospheric light that will create a magical ambiance during evening gatherings. The solar lamp is an excellent choice for those who value eco-friendly solutions, functionality, and an aesthetically pleasing appearance.
