Do you like interesting arrangements and playing with light? The Neolia LED Neon lights will provide a beautiful effect of a colorful glow in the room. They are great as decorations to place on a shelf in the living room or as decorative lighting in the children's room. The neon on a stand will fit perfectly as a desk or windowsill decoration. The atmospheric light will suit the interiors of restaurants, bars and other spaces, where the colors will uniquely enhance the atmosphere of the place. What sets neon lights apart is their uniform light diffusion, with no noticeable points of light. Thanks to LED technology, the neon lights consume relatively little electricity. They can be powered by 3 AA batteries or a USB plug. LED Neon lights are available in many shapes and colors including white, orange, green, red, pink or multi-colored. This device is aesthetically pleasing and made using white plastic. Another advantage of this product is the on/off switch mounted on the stand. Product features: - LED technology; - stand; - fashionable designs; - powered by 3 AA batteries or a USB plug; - 1.5m power cable - ON/OFF switch on base; - Different colors of light depending on the model.
