Buy now

The Hook case is a reliable solution providing maximum protection for your phone. Made from high-quality TPU and PC materials, it combines durability with an elegant appearance, highlighting the original design of the device. The transparent construction allows you to enjoy the phone's look while ensuring excellent protection. Special reinforcements at the corners minimize the risk of damage from falls. The combination of flexible TPU and hard PC provides long-lasting protection against scratches and impacts. The raised edges around the camera effectively protect the lenses from damage. The set includes metal clips that can be attached to the case, allowing you to attach a lanyard or other accessories. If needed, the clips can be easily removed, providing greater flexibility of use. The Hook case is perfect for everyday use as well as in situations that require additional protection. *The chain/lanyard is not included in the set; the offer applies only to the case.*
