

Glitter Thin Mag case for iPhone 16 6,1" brown

GSM191764
5906961982629

The Glitter Thin Mag cover is an elegant and durable phone protection solution. Made of TPU and PC, it protects against drops and scratches while maintaining a slim profile (2 mm). The built-in magnet (2300 Gs) ensures compatibility with MagSafe, allowing for fast charging and accessory use. The glitter finish is durable, and the metal buttons guarantee precise response. The cover offers camera protection, practical slots for a lanyard, and various color options and models.
