Carbon Black is a flexible cover that provides excellent protection and ease of putting on and taking off. It has all the necessary cutouts for ports, allowing for convenient use of all device functions. The Carbon Black cover is designed using advanced autofocus technology, ensuring a perfect fit to the shape of the phone. It provides maximum protection against shocks, impacts, and scratches. Made from durable and flexible TPU material, it guarantees a firm grip, minimizing the risk of accidental slipping of the phone from the hand.
