

WiWU

WiWU iShield Pro case for iPhone 16 Plus 6,7" MCC-101 transparent

GSM187787
6976975617885
MC-101

This model is designed for the iPhone 16 Plus, using strong N52 magnets, including 38 individual magnets, which ensures increased magnetic strength and stability. The material is highly transparent, providing clear visibility while being environmentally friendly, minimizing its impact on the environment. With a net weight of just 48 g, the case is lightweight yet durable, combining the flexibility of TPU with the strength of PC, offering excellent protection for your device.
