Premium 2.5D glass is a reliable protection for your phone's screen, combining quality and user convenience. Made from Asahi glass, known for its exceptional durability, it effectively protects the screen from damage. Thanks to the applied AB Glue layer, the installation of the glass is easy and eliminates air bubbles, ensuring a perfect fit. The hardness of 9H provides high resistance to scratches, while the 3D curvature ensures that the glass adheres perfectly to the screen, maintaining full transparency. An additional oleophobic coating prevents the accumulation of fingerprints and dirt, keeping the screen looking fresh and clean for a long time. Premium 2.5D glass guarantees sensitive and precise touch response, ensuring maximum user comfort. The perfect solution for those who value durability and aesthetics.

Specification

Set contains: wet wipe
dry wipe
Brand: TFO
Thickness: 0,33 mm
Hardness: 9H
Warranty: 12 month

Attribute

- screen protection
