The Smart Soft cover is a product characterized by excellent quality and ideal protection for the phone against damage. Made of a pleasant-to-touch material, it provides not only protection but also comfort in use. The foldable back, which serves as a stand, allows for comfortable browsing of content or watching videos on the smartphone. The internal cover made of durable TPU material provides additional protection against shocks and falls. The cover features a practical inner pocket, perfect for storing payment cards or documents, making it a convenient solution for everyday needs. The magnetic closure protects the phone's screen, and the cutout for the speaker at the front allows for phone calls even when the case is closed, ensuring convenience and functionality. The elegant appearance of the cover also adds an interesting touch to the smartphone, which not only protects it but also adds style.
