

Color Chrome Mag case for iPhone 16 6,1" rose gold

GSM185743
5907457787988

The Color Chrome series of cases features an increased thickness of up to 1.5 mm and a metallic finish! The TPU material used and the thickness of the case ensure greater protection for the phone against shocks and scratches. The case is fully transparent with colorful elements on the edges, and thanks to the built-in lenses, it protects the phone's camera from scratches. An additional textured inner layer prevents moisture buildup and sticking of the case to the smartphone's body. The Color Chrome series has necessary cutouts for all ports and embossed areas for buttons. - The case minimally increases the size of the smartphone. - It can be successfully used in car mounts. - It allows wireless charging of the phone with a MagSafe charger. We remind you that the natural property of TPU (thermoplastic polyurethane) is the darkening process. This occurs after prolonged use or contact with dyes. Significant exposure to sunlight also causes discoloration.

Specification

Brand: TFO
Colour: pink
