Quality you can feel in every detail. A very meticulously designed case, made of flexible and durable silicone. The case effectively protects the iPhone and the perfectly smooth and soft-to-touch silicone makes the phone feel great in the hand. The Silicone collection is characterized by durability, aesthetics of workmanship and a perfect balance between minimalism and functionality. The cover is decorated with a silicone 3D badge with the image and logo of a well-known designer. The case will perfectly emphasize the unique design of your iPhone.
