Trendy and stylish Karl Lagerfeld case from the Glitter Karl&Choupette collection for AirPods Pro 2nd generation. The fashionable case protects the charging dock of Apple AirPods wireless headphones from surface damage and potential loss. The high-quality shell fits perfectly with the original Apple AirPods case. The case is enhanced with a very practical ring that allows you to attach it to a handbag, keys, backpack, lanyard, etc. It perfectly highlights the unique design of your AirPods Pro - the case is decorated with the likeness of the eccentric designer and his beloved pet cat Choupette. The graphic is hot-stamped and then coated with a delicate layer of TPU, making it resistant to abrasion. With the embedded shimmering glitter, you will stand out in the crowd and attract attention. This unique case is everything you need to look fashionable and stylish. Product produced under license from Karl Lagerfeld.
