Exclusive Guess 4G Big Metal Logo CaseThe exclusive case with a unique design is an excellent choice for lovers of modern accessories. This elegant series of covers is an indispensable complement to the style of anyone who values elegance, a unique appearance, and wants to add a touch of sophisticated aesthetics from the Guess brand to their smartphone. Express your style! The 4G Big Metal Logo collection will satisfy the most discerning tastes. The covers are adorned with a high-quality 4G print, giving them a distinctive character and elegance. The luxurious finish makes the case stand out in a crowd. The centrally placed large 4G logo patch confirms the excellent quality and authenticity of Guess products. Top-quality materials The case is constructed from durable polyurethane, and the surface is covered with soft-touch faux leather, providing a comfortable and secure grip as well as an elegant appearance. Protection for your device The stylish case fits perfectly to the device, guaranteeing effective protection against scratches and impacts. The raised edges around the screen and camera lens protect against damage while maintaining a stylish look. The case is produced under the license of the Guess brand.
