Advanced scratch and impact protection Do you often drop your phone or scratch it? The Samsung Silicone case is the perfect solution – its durable design and raised edges effectively protect the device by absorbing impacts and minimizing the risk of damage. A color for every mood and occasion What are you in the mood for? We have everything you might need at hand. Sleek look and secure grip The silicone case fits snugly around the phone, preventing damage while giving it a sleek, stylish appearance. Protection has never looked so good. It looks great and works perfectly for its purpose. Pleasant to the touch Made from soft silicone The back and sides of the phone transform into a silky smooth surface. The smartphone rests securely in your hand while being effectively protected.
