Samsung Otterbox Symmetry Magnet CaseAdvanced protection against scratches and impacts Do you often drop your phone or scratch it? The Samsung Otterbox Symmetry Magnet case is the perfect solution – its durable construction and raised edges effectively protect your device by absorbing shocks and minimizing the risk of damage. Sleek case combining style and protection The Symmetry Magnet case merges elegance with functionality, offering a perfect fit that protects your device without compromising its stylish appearance. Its ultra-thin design snugly wraps around the curves of the phone, providing safe protection while highlighting its unique design. Customization and convenience With built-in openings, you can customize the case to your needs by adding straps and charms. All buttons and phone functions remain fully functional, and precise cutouts ensure easy access to ports and speakers. Compatibility with Qi2 wireless charging The built-in magnets allow for easy and stable wireless charging, supporting fast charging up to 15W. This makes using your phone even more comfortable and convenient.
