

Spigen Mag Armor Magsafe case for iPhone 15 6,1" matte black

BRA013411
8809896751360

Mag Armor MagSafe by Spigen is a case made of durable TPU material, providing high resistance to damage. Thanks to Air Cushion technology, it effectively absorbs shocks, protecting the device from damage during falls. The matte finish prevents fingerprints and provides a secure grip, minimizing the risk of the phone slipping from your hand. The case is equipped with a magnetic ring compatible with the mounting system and MagSafe wireless charging, allowing for quick and convenient use of Apple technology. The raised construction around the camera and screen protects the phone from scratches by lifting it slightly above the surface. The product is an ideal choice for minimalists who appreciate slim design and reliable protection. Product features: - Original Spigen product - Packed in original packaging - Compatible with MagSafe - Elegant, minimalist design - Lightweight and thin - Perfectly fitted to the device - Easy to install and remove The set includes: - 1 x Spigen Mag Armor MagSafe case
